We Are #OrlandoUnited

Message from City of Orlando Mayor Buddy Dyer:

June 12 was the most horrific day in the history of the City of Orlando. And yet, I stand here today even more proud of our community because they came together, united to support the families and friends of the victims.

We learned of the heroic acts of our Orlando Police Department as well as other law enforcement, as well as our citizens as hundreds of lives were saved throughout the night. And the medical personnel that saved so many lives that were transported to the hospital are heroes.

We will not be defined by the act of a cowardly hater. We will be defined by how we respond, how we treat each other. [Click here to read full letter...](#)

Two Florida chambers advance to final round in prestigious ACCE Chamber of the Year Competition

Congratulations to the **JAX Chamber** and the **Gainesville Ara Chamber of Commerce** for being named as finalists for the 2016 ACCE Chamber of the Year competition, in Category 4 and Category 2, respectively. The Award is sponsored by FACP Corporate Member, WebLink International Inc.

ACCE President and Chief Executive Officer Mick Fleming said, "Applicants have already proven themselves worthy of emulation and praise by the time they reach finalist status. Only chambers meeting certain benchmarks are even invited to apply, so becoming a finalist is a big deal. In each case, the chamber's numbers are good, their highlighted programs are strong and their impact on businesses and communities is evident."
