TOMORROW
November 16 • 2 pm (Eastern)

Allison Dembeck, Executive Director of Congressional Public Affairs on Education, Labor, and Workforce Development issues at the U.S. Chamber of Commerce, will discuss changes made by the new Overtime Rule, when those changes go into effect, how to comply, and what resources are available. She will also talk about legislation proposed to combat this issue and what you can do to be engaged.

Allison is spearheading the Chamber's legislative efforts to combat the Department of Labor's Overtime Rule, which is set to go into effect on December 1, and which will have a huge impact employers across the country, and across the state of Florida.
